

## House Cleaning Checklist

<b>Bathroom</b>
Clean sinks, showers, tubs and toilets. Anything porcelain or plastic needs disinfecting.
Change towels.
Empty trash cans and change the liners.
Clean mirrors and wipe down "vanity" areas.
Sweep floor, then scrub and mop.
Dust, be sure to wipe baseboards.
Empty laundry basket, and clean laundry.
<b>Kitchen</b>
Wipe down cabinets, counters, backsplashes and stovetops.
Scrub the sink, including around the faucets, handles, and drain.
Scrub all appliances outside, and clean inside, especially microwave. Look for problems with any appliances that may need repair.
Empty the trash and replace the bag, clean trash can.
Sweep the floor, then scrub and mop.
Dust baseboards.
<b>Bedroom</b>
Change bed linens and make beds.
Unclutter flat surfaces.
Dust flat surfaces, knickknacks, and frames.
Spot clean high wear areas, such as walls, doorknobs and light switches.
Pick up clothes.
Dust and wipe windowsills and lampshades.
Wash mirrors and window interiors.
<b>Living Room</b>
Clean surfaces of clutter, paper, magazines, mail, and other objects.
Dust flat surfaces, picture frames, and knickknacks.
Fluff and arrange cushions on furniture.
Vacuum carpeted floors, sweep and mop hard floors.
<b>Miscellaneous</b>
Clean stairways and handrails.
Clean and dust ceiling fans.
